Media Release: Launch of Love France!

We are pleased to bring you this launch of the 'Love France' initiative which has joined together many worldwide partner networks of IPC as we seek to support, encourage and pray for the French Church and nation in this significant year.

We really need your prayers and engagement!

Please read on for more about what's happening and how you can get involved.

The eyes of the world are very much on Paris this summer as they host the 2024 games.

As the nation prepares to welcome thousands of athletes and millions of spectators from all around the world, it presents the French Church with an unprecedented opportunity ... to share the Gospel message!

The Church across France has risen to the challenge with incredible passion, determination and resolve... and the result is truly awe-inspiring!

There are more than **400 events** and initiatives taking place across the duration of the games involving 100+ different churches, ministries and organizations. They span several categories including evangelism, prayer and worship, social events, sports and play, city teams, creative arts and music.

Matthew Glock, Coordinator of **Ensemble 2024** - the platform that serves and supports the many events said, 'We have been bowled over by the energy, imagination and commitment that has been invested in so many projects. The Church in France is very much alive! - but we would welcome your prayers in this season.'

France 1 Million

We invite you to be part of a worldwide gift of **1 Million Prayers** for France during the games. Pray for the nation, the church, the people, the games – whatever and whoever is on your heart! Or if you prefer, we have some suggested prayers that you can use.

Church Leaders across France have welcomed this initiative and expressed their appreciation for pledges that are already being made from individuals, churches, ministries and houses of prayer around the world.

1 Prayer and 1 Click is all it takes!

Eric Liddell - 100 Years Celebrations

It was 100 years ago this weekend, in Paris! - when Eric Liddell put his faith before his passion for athletics by going to church and missing the 100 metres qualifier. His inspirational story was retold in the movie 'Chariots of Fire'. Eric's reward came days later when he won the gold medal in the 400 metres.

We **invite you** to use this powerful story as an outreach opportunity within your church and community as part of a worldwide centenary celebration of Eric's life and testimony.

**"I believe God made me for a purpose, but He also made me fast."
Eric Liddell**

Churches are organizing a plethora of different 'Eric Liddell 100' events including fun runs, film nights, sports days, presentation dinners and testimony evenings. We've collated resources, activity suggestions and sermon guides with the help of the Eric Liddell foundation. [See Here](#). Do let the **Ensemble 2024** team know how you are participating!

Please let's help get the Love France message out to our contacts and networks!

Thank you for partnering with us in our vision: ' Exalting Jesus, Catalysing united prayer across nations, denominations, movements, and generations for the fulfilment of the Great Commission!'

Every blessing,
